The Value of Aspire Comprehensive and our **Industry Expertise**

Aspire Comprehensive provides you with the peace of mind that you have a team of experts handling your accounting tasks. And with our experience in the non-profit industry, we are intimately familiar with your day-to-day operations, fund accounting, the need for orderly and accurate data on-demand, and much more. Consider all we can do for you:

Process bills fast and easy.

All processing is performed online, enabling quick turnaround of information.

Balance your checkbooks with ease.

Access your checkbooks online for up-to-the-minute views of your cash position.

Process payroll.

You enter payroll online and we process it for you—returning paychecks, direct deposit remittances, and employees' stubs.

Provide tax planning and preparation.

We'll put a strategic tax plan in place for you to help mitigate your tax burden. Our firm also stays consistently up-to-date on federal and state laws that impact your industry, your business model, and your tax obligations.

Create detailed statements and reports.

Because your data is collected online, we can offer you a current view of your business' health throughout the year.

Free you to focus on what you do best.

When you consider the hours spent on time-consuming, complex accounting work, it makes economic sense to outsource your accounting so that you can focus on running and growing your business.
